

MUVA

We create, You like!

COMPANY PROFILE

www.muva.tech

The background is a solid blue color with a pattern of light blue geometric shapes. These include several thin, parallel lines of varying lengths and orientations, some circles, and a few small, stylized starburst or asterisk shapes scattered across the lower half of the image.

**“Breathing life
into your
ideas”**

ABOUT MUVA

We are a team of happy, young and talented app developers with a vision of being the mother (muva) of innovations!

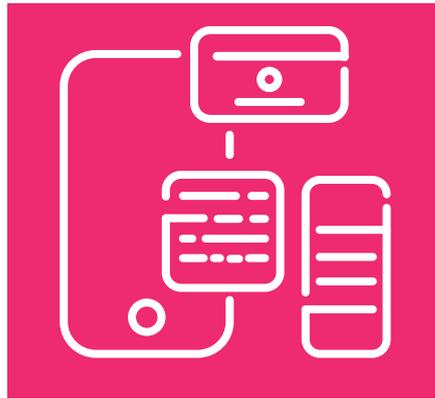

MUVA specialises in design and development of Mobile Apps, Web Solutions and Websites, Integrations and IT Consultancy and Trainings. We have competencies in Android, iOS, Web, SMS, USSD, Payments such as MPESA and CRB Integrations among others.

Here at Muva, we like to say;

We Create, You Like!

OUR SOLUTIONS

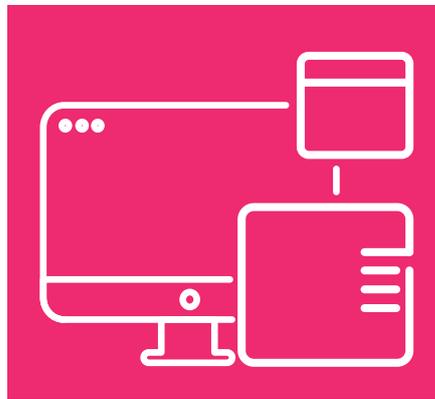

OUR SERVICES

MOBILE SOLUTIONS(APPS)

We develop Mobile Apps and Solutions for Android and iOS. The apps range from health, transport, agric, e-commerce, social, etc.

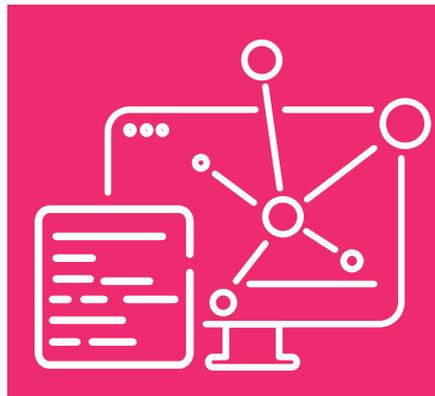

View our portfolio in next page.

WEB SOLUTIONS/WEBSITES

We design and develop web-based CMS and admin portals for your mobile app to manage content, users and reports.

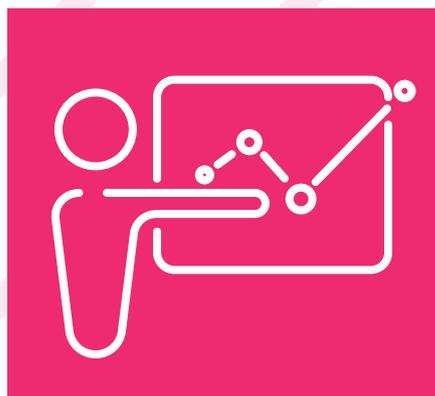

Need a websites for your company, e-commerce website or a blog? Talk to us.

INTEGRATIONS

We handle solutions integrations to payments(such as Mpesa, Paypal, Pesapal,etc), CRB's, Maps,etc.

We do this for solutions we develop as well as for existing systems.

IT CONSULTANCY AND TRAINING

Muva is a leading and skilled consultancy and training company. We manage end user trainings for solutions developed and manage final technology transfer.

Want to become a developer? Talk to us

Mjengo App

Radacom Limited

A transport solution that allows buying of building materials by clients via **an app**. Clients are able to live-track drivers as they deliver their wares. Admins can track sales via a **Web admin Portal**.

WEB: <http://mjengoapp.com>

ANDROID: <http://bit.ly/mjengo>

M-JALI

M-JALI
